The Game Reserve Chenin Blanc 2022

THE RIVERINE RABBIT: Both threatened and very rare, the riverine rabbit or 'doekvoet' (*Bunolagus monticularis*) is an intriguing mammal, currently classified as highly endangered. Originally thought to exist only in limited areas in the Karoo this elusive creature was discovered in the Rooiberg Breede River Conservancy – the most southern point of discovery to date.

BLEND INFORMATION: Chenin Blanc

TASTING NOTES: Delightful aromas of sweet juicy melon, pear drop and fragrant grapefruit. On the palate, expect rich rewarding flavours of ripe tropical fruit and luscious citrus. Aromatic, fruity and well rounded – an elegant wine with a soft silky texture and vibrant, fresh finish.

FOOD SUGGESTIONS: The Chenin is a good company for alfresco lunches. Also great with grilled chicken or fish, rich pasta dishes and spicy food.
