

Welcome

Thank you for choosing us today!

We at the  **Red chair**
• BISTRO • DELI

believe in service excellence, creating a safe space for you to connect, focusing on and supporting local produce and businesses and celebrating what our beautiful country has to offer. Our aim and hope for you is to experience a well deserved moment of rest, connection, indulgence and joy.

"Staying close to my heritage, celebrating the excellent quality of local produce. I believe that simplicity is the key. Enhancing the already ever present flavour of each produce is my goal. Presenting a plate that bursts with flavour, as South Africans do so well, my hope is to create harmony with each bite."
